

OK SAILING DINGHY

FOR SALE

£ 6 9 5 ono

The OK Sailing Dinghy is a 4m long, lightweight and fast single-handed racing dinghy designed for the more adventurous helm. The OK dinghy was an Olympic class racing boat, which is easily recognised by its flexible top mast and low boom that catches every breath of wind passing over the decks. Alternatively, we would be willing to exchange for a less advanced boat e.g. Topper, Topaz or smaller 2 person boat.
